IDPA 2025- Poster Presentation Instructions

Thank you for submitting your abstract to the 6th International Developmental Pediatrics Association Congress. We are glad to inform you that your abstract has been slotted for **POSTER PRESENTATION** at the IDPA 2025 Congress to be held December 1-4, 2025 in Guatemala City. Please note that the decision on presentation mode (poster versus oral presentation) was made after all abstracts were ranked after anonymous review by our panel of scientific reviewers.

If you have not done so, you also need to make sure you register for the congress before **October 15th, 2025** for your abstract presentation at the congress and publication of your abstract in the electronic and printed book of abstracts. Please note that abstracts will be published as submitted. The only exception is that the organizer will use AI-assisted technology to prepare a Spanish or English translation if one was not provided. Please find below guidelines for preparing your poster. Contact us for any additional queries you may have:

idpaguatemala@wuqkawoq.org

Poster presentations will occur at designated times each day.

- Plan to hang your poster early on arrival: afternoon December 1 (Precongress) or morning December 2.
- Be physically present at least one designated time during the congress.
- Check the website after November 13, 2025 or the Congress book for exact date, time, and location.

Guidelines for Poster presentation

- Authors must bring their printed posters. No onsite printing is available.
- Authors should stand by their posters during breaks and formal poster sessions.
- All printed posters will be displayed during Congress hours.
